

Don't miss out on this new activity, produced by Project FISH in partnership with Windsor Nature Discovery. A Fish is a Fish is an activity for all ages who are learning to identify fish and general characteristics of fish, acquire, analyze, and apply information, to develop and use dichotomous keys, to identify fish families and to use knowledge toward better fishing skills.

Set includes:

30 FISH Cards

Gamefish Key Card

Activity Instructions

Order a set today!

\$ 15.00 per set

Buy 2 and cut one in half to play “concentration” or use it as an ice breaker.
